EOT – REACH Declaration

Date: 2/11/2020

Applicable Regulation:

European Union Regulation (EC) No. 1907/2006 “Registration, Evaluation, Authorization, and Restriction of Chemicals” (REACH) Substances of Very High Concern (SVHC)

Declaration of EOT’s Non-Use of 209 SVHC’s in Components (re: REACH Regulations)

Under normal and reasonable foreseeable conditions of use, no substance is intended to be released from the product. The components that EOT supplies do not contain any of the 209 Substances of Very High Concern (SVHCs) identified in the REACH regulation in their composition or make-up. Also, the components that EOT supplies do not contain any of the dangerous chemical substances, mixtures or articles identified in REACH Annex XIV nor in REACH Annex XVII. “Restrictions on the Manufacture, Placing on the Market, and Use of Certain Dangerous Substances, Preparation, and Articles” either does not apply to the product(s) referenced above or the product(s) referenced above contain less than the maximum concentration allowed for the listed substances.

Disclaimer:

The information provided may not be based entirely upon actual test data, but rather on information obtained from raw material suppliers or vendor Material Safety Data Sheets.
